

The ETNZ Community Theatre Technical Achievement Award

The ETNZ Community Theatre Technical Achievement Award

Recognizing outstanding contribution to the art of technical theatre in the community theatre environment.

The ETNZ Community Theatre Technical Achievement Award recognises an individual who has achieved technical excellence in the technical area of community theatre. Award winners will meet the following criteria:

- they will be working in a volunteer capacity on the productions,
- they will not work regularly as a technical professional in the entertainment industry,
- they will have consistently delivered at a level of excellence throughout their time in community theatre, and
- they will have sought to promote best practice and technical excellence while delivering a high-quality performance.

Award Categories:

- ***ETNZ Community Theatre Technical Achievement Award***
Open to all ages.
- ***ETNZ Community Theatre Technical Achievement Award – Youth***
Open to those under 25 years of age who are new participants working on productions within the last one-two years. *Note: a youth nomination will not be considered for the general award.*

Nomination Process:

Nominations can be made by an MTNZ Society or an ETNZ member engaging in a professional capacity on community productions.

Please complete the [nomination form here](#). The application must be received by the ETNZ Administrator by the 31st December 2021.

The award will be presented at the MTNZ Conference in 2022.
